

Awesome Skills Academy

Eligibility Level X

Subject: Diploma in Animation with AI Tools

Syllabus:

Month 1 : Introduction to Animation & AI Basics

Basics of Animation

Introduction to Artificial Intelligence

Role of AI in Animation & Creative Industry

Ethics & Responsible Use of AI Tools

Overview of AI-based creative platforms

Month 2 : Digital Design Fundamentals

Basics of Visual Design

Color Theory & Composition

Image Resolution & Formats

Introduction to AI-assisted design workflow

Month 3 : ChatGPT for Creative Content

Introduction to ChatGPT

Prompt Writing Basics

Script Writing for Animation

Storyboarding using AI assistance

Dialogue & Concept Development

Month 4 : Gemini AI for Creative Planning

Introduction to Gemini AI

Idea Generation & Concept Development

Creative Research using AI

Script Refinement & Content Structuring

Month 5 : Image Generation with Playground AI

Introduction to AI Image Generation

Prompt Design for Visuals

Style, Lighting & Composition

Creating Concept Art & Characters

Month 6 : Midjourney AI for Advanced Visuals

Introduction to Midjourney AI

Advanced Prompt Techniques

Character & Environment Design

AI-generated Artwork for Animation

Month 7 : Pixabay AI & Asset Creation

Introduction to Pixabay AI

AI-assisted Image & Video Asset Creation

Copyright-safe usage of AI-generated assets

Asset Optimization for Animation Projects

Month 8 : Runway AI for Animation & Video

Introduction to Runway AI

AI-based Video Editing

Motion & Effects Generation

Text-to-Video & Image-to-Video Concepts

Month 9 : Voice & Audio Creation with ElevenLabs AI

Introduction to ElevenLabs AI

AI Voice Generation

Voice Styling & Language Options

Audio Integration in Animation Projects

Month 10 : AI-Based Animation Workflow

Combining Images, Video & Audio

Scene Sequencing & Timing

AI-assisted Animation Workflow

Practical Animation Exercises

Month 11 : Project Development & Portfolio

Concept Finalization

Script to Animation Conversion

AI Tool Integration in Projects

Portfolio Development

Month 12 : Final Project & Assessment

Individual / Group Animation Project

Practical Demonstration

Project Presentation
